ACT/037/015

Dear Mr. Tetting:

Enclosed is an executed copy of the October 1, 1980 letter from Energy Fuels Ltd. to Mr. Ralph Hermann of Monticello Minerals & Mining Company advising Mr. Hermann that Energy Fuels was surrendering its interest in the Hillside property to Monticello Minerals. Monticello Minerals has in turn surrendered its interest in the property to Minerals West and, therefore, reclamation of the property will ultimately be undertaken by Minerals West.

Energy Fuels will be advising Minerals West of the requirement of 40-8-19. We believe Minerals West wishes to keep the property in a standby status and, therefore, final reclamation will not be undertaken at the present time.

Sincerely,

*George E. Glasier*
